REYNOLDS and REYNOLDS

As students progress through their final year of school, we recognize many are in search of a career. We are growing rapidly and are looking for talented entry level associates in both College Station and Houston area to continue our legacy of over 150 years of outstanding products and services. We are in the process of posting positions with career services but I also wanted to see if you could share the below with your seniors that are graduating this spring? Due to our focus on internal training we are open to all majors.

Recycle old electronics April 17-27

Make 2017 the year of ZERO eWaste in Aggieland and prevent hazardous chemicals and materials from ending up in landfills.

Beginning Monday, **April 17**, through **April 27** at noon, join Texas A&M Information Technology, the Environmental Issues Committee and the Environmental Sustainability Group to easily recycle your unwanted electronics.

It's easy! Just follow these steps:

1. Gather your unwanted electronics. We will accept cables, calculators, cameras, cell phones, flash drives, headphones, laptops, MP3 players, batteries and tablets.
2. [Erase ALL personal data](#) from your devices.
3. Drop off your eWaste at any of our collection bin locations:
 - o [MSC](#) - Outside MacResource @ MSC
 - o [Student Computing Center](#) - Inside Front Doors
 - o [General Services Complex](#) - First Floor Lobby
 - o [West Campus Library](#) - Inside Open Access Lab
 - o [Help Desk Central](#) - Outside the HDC
 - o [Blocker](#) - Inside the Open Access Lab
 - o [School of Public Health](#) - Front Entrance

To learn more about our Earth Day initiative, like Texas A&M Information Technology on [Facebook](#), or follow us on [Twitter](#) and [Instagram](#)!

Let's make 2017 the year of ZER0 eWaste in Aggieland!
