Internship Program

It is often said that experience is life's best teacher, and as an Intern with Oldham Goodwin Group, you will get exactly that. As an intern you will be challenged with hands-on experience, with exposure to different aspects of our business. Working as a valuable member of your chosen department you will apply what you have learned in your coursework to the corporate environment. In doing so, you will gain an understanding of how our business works, what it takes to excel, and whether you would like to further your career with Oldham Goodwin upon graduation.

Oldham Goodwin selects one paid intern per semester, per department for the [Bryan / College Station Office](#). Whether you are pursuing a degree in Accounting, Real Estate, Marketing, or Urban Development, Oldham Goodwin has an internship opportunity for you.

Qualifications for Selection:

- Applicants must be in good standing with the university and have a minimum GPA of 3.0
- Must be available to work approximately 20 hours per week
- Strong interpersonal, communication, and problem-solving skills
- Ability to pass a background and drug screen

Deadlines for Applications:

- Fall Internship – July 15
- Spring Internship – November 15
- Summer Internship – April 15

*It is a common misconception that internships are in exchange for college or university credit. Yes, an internship is a learning experience. But whether or not educational credit is obtained is strictly between the student and his or her school. Oldham Goodwin will work with the student's university however possible to help the student obtain credit if available.

The Q-drop or withdraw deadline for Spring 2017 is Tuesday, April 18, 2107. You can get a copy of the q-drop form in our office or on-line at http://registrar.tamu.edu/Registrar/media/REGI_Forms/Q-Drop_Form.pdf. Completed and signed forms must be turned in to our office (AGLS 214) by Noon on Tuesday, April 18, 2017 for processing. If you q-drop a class, remember to watch your prerequisites. Only successfully completed courses fulfill a prerequisite.

Please see the attached file with important information about preregistration. If you have questions or have a problem registering for a class, please see the attached as it contains the answers to most of your questions such as: prerequisites, submitting force request, and much more.

If you are doing an **Internship** this summer and are interested in receiving academic credit, please meet with an advisor to determine if you meet the requirements for receiving internship credit, if you have any remaining degree requirements that internship credit can fulfill, and for details on how to proceed to receive internship credit. You **MUST** be enrolled in AGEC 484 prior to starting your internship to receive internship credit.

If you want to visit with an advisor before you register, schedule your appointment NOW by calling 979-845-4911. DO NOT email an advisor for an appointment!!!
