

SKYP LUNCH! – Tuesday, February 14 – AGLS 129

Howdy!

You are personally invited to our department's first skyp (students know your professor) lunch of the semester. More information is available in the SKYP Lunch Slide attachment.

Please make plans to join us! The sign up is available at:

<https://docs.google.com/forms/d/e/1FAIpQLSe7jwbDWIWFrr8x94tDt7pZnqsHAuGOKdVz7Dp1mr7wa78sMg/viewform>

Hope to see you all there

Aggie Reps Application

Howdy!

The application for Aggie REPs is now open! If you would like to apply to become a REP please fill out the application at the link below and submit to the undergraduate office (AGLS 214) by 5:00 p.m. March 3, 2017. You can also access the application through the AGEC website through the slideshow under current students.

<http://agecon.tamu.edu/undergraduate/wp-content/uploads/sites/2/2013/10/Aggie-REPS-Application-2017-2018.pdf>

Who are the Aggie REPs?

The Aggie REPs are a group of AGEC and AGBU undergraduate students that concentrate on new student orientation, student mentoring, department/campus tours, and student-to-faculty communication. The Aggie REPs organization includes 10 – 25 undergraduate Agricultural

Economics and Agribusiness students who are selected from among the applicants. The selection process involves both written applications and interviews. Aggie REPS are selected based on academic qualifications, leadership capabilities, personality characteristics, and commitment to service.

What are the Requirements?

Requirements of Aggie REPs students are that they be an AGBL, AGBU, or AGECE major, be a second-semester freshman, sophomore, junior, or first-semester senior, and have a minimum cumulative GPR of 2.50. While serving as an Aggie REP, individual semester GPRs must be at or above 2.50 for a course load of 12 or greater hours.

If you would like more information, please visit the Aggie REPs webpage at the link below:

<http://agecon.tamu.edu/undergraduate/undergraduate>

If you have questions, please contact

cbeamon92@tamu.edu me via email or Dusty Menzies at d-menzies@tamu.edu.

Volunteers Needed

The Physics & Engineering Festival is quickly approaching and we are seeking student volunteers! Volunteer positions include welcome desk, festival-goer relations, usher, equipment storage, classroom / lab recovery, balloon ambassador, and any other needs that

arise. Please forward the following link to your students and encourage them to volunteer. Festival date is April 1, 2017.

You are invited to:

The Master of Industrial Distribution Information session!

Learn how The Master of Industrial Distribution (MID), a Web-based degree, designed for working professionals can impact your future!

When: February 23, 2017

Where: Texas A&M Sbisa Hall Conference Room

Time: 6:30PM – 8:00PM

Who: Staff, Friends, and Family of Texas A&M University.

Are you ready to take the next step? Join us for casual refreshments and information session for the opportunity to learn more about The Master of Industrial Distribution Degree.

-We will discuss and share with you how our 21 month lock step degree plan, mobile learning tools, and applied capstone project will elevate your skill set and prepare you for success.

-The MID degree has a balanced mix of academic study and real-time industry case studies where your solution sets have real impacts on an industry partner's real bottom line.

-We will have alumni available to answer questions from a student's perspective.

-Discuss the application process.

Please RSVP at mid.tamu.edu/RSVP

Need more information? Please go to MID.TAMU.EDU

YOU ARE CORDIALLY INVITED TO ATTEND...

Big Event

Howdy Ags!

Sign ups are now open for The Big Event 2017! The Big Event is the largest one day student-run service project in the nation, where Aggies join together to simply say thank you to the residents of the Bryan/College Station community. This year's Big Event will take place on March 25, 2017 with a kick-off ceremony at Kyle Field Plaza. Last year we had over 22,500 Aggies come out, and we want to expand on that this year.

Sign ups can be found at bigeventonline.tamu.edu. You can sign up with an existing group, create a group, or sign up as an individual. Sign ups will close on February 17, so do not wait until it is too late!

The Big Event is a physical representation of the Aggie core value of selfless service. Join with your fellow Aggies on March 25, 2017 and make this year's Big Event the best one yet!

Student Research Week

Are you participating in research this spring? Would you like to display and demonstrate your work? Student research week provides a venue for students to promote, discuss and encourage their work. The deadline to apply to present is March 1, 2017.

More information can be found at:

<http://studentactivities.tamu.edu/event/student-research-week-2/>
