

Aggie GRE Prep Classes

Contact: Cody Blair

HUDSONBLAIR@gmail.com

There will be a Saturday [GRE prep course](#) here in College Station, taught by Cody Blair, Fightin' Texas Aggie Class of 1991. It's quick and effective GRE prep AND much more reasonably priced than most prep courses!

The next full class is on March 25th and April 1st—two consecutive Saturdays—but there are other options if you need help before that. Email [Mr. Blair](#) for details or text/call him at [979-739-7601](tel:979-739-7601).

Mr. Blair has been teaching GRE prep since 2000. During the summer he teaches GRE prep for the LAUNCH program here at TAMU, the TAMU College of Engineering Summer REU program, the CANIETI Summer program at TAMU, and more.

To find out more about weekend GRE Prep classes, contact...

Cody Blair, '91

Update regarding AGEC 317

We are currently looking at offering AGEC 317 this summer. The class will be offered in a traditional classroom setting during the 10 week summer session, May 30 – August 9.

AGEC 317 is being offered based on the number of students that indicated that they **WOULD** take the class this summer if it was offered. **If enrollment numbers for the summer do not support this demand, we will cancel the class.**

Remember the prerequisites for AGEC 317 are: AGEC 217; ECON 323; and one of the following STAT 303/302/301 or SCMT 303.

Please remember to register for Summer AGEC 317 during preregistration. If you are unable to register for the class due to completing one or more of the needed prerequisites this spring, please submit a force request for the class.

TEXT Service

We have started a new way to send you important dates and deadlines through a text service. We have added all our students to this service. If you have not received a text from us or have removed yourself from this, please text one of the following messages below to join in:

For AGBU Majors: text @cbeamon92 to 81010

For AGECE Majors: Text @carissab to 81010

You will only receive occasional reminders about important dates and deadlines such as Q-Drop deadline, graduation application deadline, SKYP lunches, and departmental events. Our main source of communication is still email. If you have questions about anything we may text you, please email an advisor for more information. You will not be able to respond to these texts.

ECON 202

Beginning in Fall 2017, ECON 202 will be offered online exclusively (ECON 202-599). No in-person version of the course will be offered. An example of the content can be seen at <http://y2u.be/EjyOAMZvpWA>.

- Dates and times for the exams will be entered into Howdy as part of the class schedule.
 - Students who have a conflict with the exam times may seek an exception from the instructor of the other course; due to the size of the ECON 202-599 course, we are unable to make exceptions for exam time conflicts.
 - All correspondence regarding the course should be sent directly to econ202@tamu.edu.
-

Commencement

The Commencement Ceremony Dates are finally up! <http://graduation.tamu.edu/Home/Texas-A-M-University-College-Station/#May%202017-2>

The College of Agriculture and Life Science will be 9:00am in Reed Arena.

Student Assistant Position in AgriLife Communications

Please check out the Student Assistant position in AgriLife Communications. It is NOV Number 10097 in <https://greatjobs.tamu.edu>.

That is it for this week! Have a GREAT Spring Break! Stay safe and have Fun!
