

Additional Position Announcements

Post-doctoral Associate, full-time, 12-month, non-tenure track. Institute of Food and Agricultural Sciences, Food and Resource Economics Department, University of Florida, Gainesville, Florida. Application Procedures: Individuals wishing to apply should submit 1) cover letter that states applicant's interest in the position and qualifications relative to the credentials listed above, 2) curriculum vitae with summary of teaching evaluations (if available), 3) copies of transcripts, and 4) three letters of recommendation. Applications and inquiries should be sent to: Dr. Sherry Larkin, Food and Resource Economics Department, Institute of Food and Agricultural Sciences, University of Florida, P.O. Box 110240, Gainesville, Florida 32611-0240, Phone: (352) 294-7676, E-mail: slarkin@ufl.edu

Visiting Scholar in Environmental Economics and Crop Modeling, Water Science and Policy Center, University of California, Riverside. This position is a one-year appointment (2015-2016, with a beginning date of September 1, 2015). The successful applicant will participate in a research project that is aimed at developing an avocado agronomic-economic production model with a focus on water-soil-plant interactions. A Ph.D. degree in agricultural economics and/or in perennial crop growth modeling with proven experience (of at least 5 years) in developing multi-year crop models and prior knowledge of water-soil-plant interactions, and environmental consequences, is required. Excellent spoken and written English is required. Please send a letter of application (no later than July 1, 2014*), detailed curriculum vitae with a list of publications, and the names of three professional references by email to: Prof. Ariel Dinar and Prof. David Crowley, Water Science and Policy Center, Department of Environmental Sciences, University of California, Riverside. adinar@ucr.edu, david.crowley@ucr.edu
