Additional Position Announcements

**Head**, Department of Agricultural Economics, Purdue University. Candidates must have a passion for, and understanding of, or a strong willingness to embrace, the landgrant mission in its fullest sense. Candidates must have an earned doctorate and professional experience in agricultural economics, economics or a closely related area. The new Head must have a record of leadership, communication, and administrative abilities, and be committed to fostering diversity and creating a climate of inclusion. The successful candidate must have demonstrated a record of scholarly achievement commensurate with the rank of full professor. Qualified persons are requested to submit the following: a letter of application; a statement of the applicant’s vision and administrative philosophy, emphasizing their ability to provide leadership to the teaching, research, extension and international missions of the department, and leadership experiences and qualifications; a complete curriculum vita including names, addresses, telephone numbers, and e-mail addresses of five references. A background check is required for employment in this position. Nominations of outstanding potential candidates for the position are welcomed. Initial nominations and inquiries will be kept confidential; references will be contacted only upon approval of the applicant. Nominations or letters of interest should be sent to: Dr. Bernard Engel, Department Head of Agricultural and Biological Engineering and Chair of the Search Committee, Purdue University, 615 W. State Street, West Lafayette, Indiana, 47907-2053. Electronic submission is preferred and should be sent to rdr@purdue.edu. Screening will commence November 28, 2016. Questions regarding the position can be addressed to Dr. Engel at (765) 4941162 (engelb@purdue.edu).

**Head**, Department of Consumer Science, Purdue University. Applications and nominations are invited for the position of Head of the Department of Consumer Science in the College of Health and Human Sciences at Purdue University. The position will be available July 1, 2017 with a fiveyear renewable term reporting to the Dean of the College of Health & Human Sciences. The Head will provide leadership, vision, and serve as a facilitator for departmental research and scholarship, and educational activities. In addition, the Head is responsible for fiscal management of the department, personnel issues, faculty/staff development, and advocacy for the Department to the College, University, and larger community. Application Procedure: Review of applications will begin January 1, 2017 and will continue until the position is filled. Applicants should submit the following: a letter of interest indicating relevant experience and qualifications, statements of research, teaching, and leadership philosophy, complete curriculum vitae, and a list of names of at least three references. Materials should be sent electronically to Professor Richard Ghiselli (ghiselli@purdue.edu), Chair of the search committee. Initial nominations and inquiries will be kept confidential; references will be contacted only upon the applicant’s approval. Nominations of potential candidates for the position are welcome. A background check is required for employment in this position. Questions regarding the position may be sent to Professor Richard Ghiselli at (765) 496-2636 (ghiselli@purdue.edu).
