References will not be contacted prior to notification of candidates. Questions about the position should be directed to chair of the search committee, Dana Hoag, Professor, Department of Agricultural and Resource Economics, Colorado State University, Dana.Hoag@colostate.edu, or 970-491-5549.

**Lecturer Position.** The Agricultural Entrepreneurship Initiative at Iowa State University seeks to hire a full-time Lecturer or Senior Lecturer, depending on qualifications, to teach undergraduate courses in agricultural entrepreneurship and agricultural business, support student experiential learning opportunities, offer short-seminars in entrepreneurial thinking, applied business finance or related topics, and participate in the missions of the Agricultural Business Program and the Agricultural Entrepreneurship Initiative. Additional Details and application instructions are available at [http://www.iastatejobs.com/postings/29236](http://www.iastatejobs.com/postings/29236)

**Open Rank, Faculty Tenured/Tenure-Track.** The Department of Agricultural and Resource Economics at the University of Maryland seeks multiple faculty appointees who will develop distinguished research and teaching programs in one or more of the following areas: agricultural economics, environmental economics, applied econometrics, and applied microeconomics, or related fields. All candidates must apply online to both 1) [https://ejobs.umd.edu/postings/55024](https://ejobs.umd.edu/postings/55024) and 2) [https://econjobmarket.org](https://econjobmarket.org). At [https://ejobs.umd.edu](https://ejobs.umd.edu) applicants should upload their CV (in PDF format), which should include a list of three references. Additional materials to be submitted through [https://econjobmarket.org](https://econjobmarket.org) include a research paper, a statement of research and teaching interests, and three letters of recommendation. For best consideration apply by December 9, 2017.
Assistant Professor in Agricultural Economics, The University of Connecticut. The successful candidate will have 50% research and 50% teaching duties with an anticipated start date of August 23, 2018 in a full-time, nine-month tenure-track position. Qualifications include a Ph.D. in Agricultural Economics, Economics, or a related field; excellent oral and written communication skills; advanced training or demonstrable research experience in the economics of agriculture, agribusiness, and/or food, including related areas such as health, the environment, business policy, development or poverty; excellent training in microeconomic theory and empirical methods; and ability to teach economics and business courses with an emphasis on agriculture and food. Submit the following materials online at: https://www.econjobmarket.org/postings.php?posid=4521, no later than December 1, 2017: (1) a curriculum vita; (2) a cover letter that indicates your vision and programmatic objectives for the position; (3) graduate transcripts (unofficial okay); (4) sample of publications or dissertation abstract; and (5) commitment to diversity statement (including broadening participation, integrating multicultural experiences in instruction and research pedagogical techniques to meet the needs of diverse learning styles). Arrange to have three letters of reference posted directly into https://www.econjobmarket.org/postings.php?posid=4521. If available, upload copies of teaching evaluations or other evidence of teaching effectiveness. For questions, call 860-486-2836 or send email to Karen.nye@uconn.edu.

Postdoctoral Researcher in Economics and Policy of Prairie Wetland Management. Prairie WaterSave is a project funded by the Global Water Futures Program at the University of Saskatchewan focused on improving sustainable water management and enhancing water resilience under a changing climate for Prairie communities. The researcher will focus on examining the economics and policy of prairie wetland management and informing future wetland policy development. This is a full-time research position limited to a term ending on March 31, 2019. Applicants must have Ph.D. in a relevant applied economics field (e.g., agricultural economics, natural resource economics, ecological economics). Interested applicants should submit applications, in one consolidated file, by email to Dr. Ken Belcher (ken.belcher@usask.ca) including a cover letter outlining their fit with this position, a copy of their CV and the names and contact information for three people who can be approached for a reference. For questions, call 860-486-2836 or send email to Karen.nye@uconn.edu.
