

## Additional Position Announcements

**Dean of the College of Agriculture**, California State University, Chico invites applications and nominations for the position of Dean of the College of Agriculture. As chief academic and administrative officer for the College, the Dean reports to the Provost and Vice President for Academic Affairs and is responsible for administration, development and direction of academic programs of the College of Agriculture, including the oversight of the Agricultural Research Institute Funds. Applicants should submit a complete and current curriculum vitae, as well as names, addresses and telephone numbers of up to five references. A cover letter of interest should indicate how the applicant's qualifications relate to the responsibilities of the Dean. Applicants should briefly articulate their administrative philosophy and the role of the College of Agriculture in public higher education. In addition, each applicant must complete the Academic Application form which is available online: <http://www.csuchico.edu/faaf/documents/FacultyEmplApp.pdf> Applications/Nominations should be sent electronically, and in confidence to: Sharon Tanabe, Partner or Emy Peña, Principal, Storbeck/Pimentel & Associates 6512 Painter Avenue, Whittier, CA 90601. Electronic submissions are preferred. Please email us at [stsearch@storbeckpimentel.com](mailto:stsearch@storbeckpimentel.com) Subject: DCOA. Review of applications will begin October 1, 2015.

**Clinical Professor**, Center for Food and Agricultural Business, Department of Agricultural Economics, Purdue University – West Lafayette campus. Key responsibilities within the MS-MBA degree program include coordination of academic assessment and capstone projects, providing direction and oversight to professional instructional design and marketing staff, and maintaining strong communication channels with key program partners at Indiana University and other constituents that include faculty, administrators, current and prospective students, and alumni. It is preferred that the candidate have a PhD in a business or agribusiness related field, but applications from candidates with a Master's degree in a business or agribusiness related field and strong experience in the agriculture industry will be accepted. Apply for this position as a Candidate at [EconJobMarket.org](http://EconJobMarket.org) and upload your application documents here: <https://www.econjobmarket.org/> A complete application includes: a short statement describing how the candidate's experience will contribute to success in this role, graduate transcripts, a writing sample, address/ e-mail information for 3 references, and a CV. A background check is required for employment in this position. Application review will begin October 15, 2015.

**Assistant Professor**, University of Connecticut, Storrs, Department of Agricultural and Resource Economics. The successful candidate will have 60% extension and 25% research, and 15% teaching duties beginning August 23, 2016. Responsibilities include developing and implementing a strong extension and applied research program in agribusiness management, economic development, marketing, finance, and/or food economics. Minimum qualifications include a Ph.D. in Agricultural Economics, Economics, or related field, excellent oral and written communication skills, and excellent training in microeconomics and quantitative methods. This is a full-time, 11-month, tenure track position with an anticipated start date of August 23, 2016. The successful candidate's primary academic appointment will be at the Storrs campus with the possibility of assignment at one of UConn's regional campuses. To apply, click on <https://academicjobsonline.org/ajo/jobs/5920> to be redirected to Academic Jobs Online to complete your application. Submission must include (1) your curriculum vita, (2) graduate transcripts (not necessarily official copies), (3) publication samples and/or dissertation abstract, (4) three letters of references, (5) a letter of interest that includes your vision and programmatic objectives for this position and (6) commitment to diversity statement (including broadening participation, integrating multicultural experiences in instruction and research pedagogical techniques to meet the needs of diverse learning styles). To ensure full consideration, applications should be received no later than November 1, 2015. The application review process will begin November 1, 2015. Direct inquiries to [AREsearch@uconn.edu](mailto:AREsearch@uconn.edu) enter 2016073 in the subject line or call 860-486-2836.

**Faculty Specialist**, The University of Maryland's Department of Agricultural and Resource Economics seeks a highly motivated individual to provide legal analysis and develop policy-oriented programs on legal policy issues of importance to agriculture and natural resources in Maryland and the Mid-Atlantic region. Non-Tenure Track Faculty (Part-Time, 12-Month, Contractual): Funding is secured on an annual basis, so reappointment is dependent on continued funding and satisfactory job performance. Minimum Qualifications: J.D. degree and LL.M. in agriculture and food law required. Excellent writing skills. 1-2 years of work experience in agricultural and natural resources law education outreach. All candidates must apply at <https://ejobs.umd.edu/postings/36450>

**Ronald J. Hanson Chair in Agricultural Banking and Finance.** The Department of Agricultural Economics at the University of Nebraska-Lincoln is seeking applicants for a twelve month, tenured, open-rank, endowed faculty position with an appointment of 50% research, 40% teaching and 10% extension. The incumbent will provide leadership for the Agricultural Banking and Finance Program in the Department of Agricultural Economics. This includes recruiting, advising, and mentoring approximately 55 students in the program, along with fostering scholarship and internship support from the Nebraska Banking Association. Responsibilities include teaching approximately two courses per academic year with the possibility to develop a graduate degree program in agricultural banking and finance.
