

Aggie REPS FALL KICKOFF 2008

Thanks to all of those who attended.

We had a great event this year with over 275 people in attendance.

Book scholarships and many door prizes were given to students attending.

The Academic Bowl team was recognized for winning the National Championship for the third year in a row.

Sponsors, former faculty, new faculty, and many other special guests were recognized for their support to the Department.

Students were presented with information regarding the many opportunities to get involved in student organizations within the Department.

Nick LaMantia, our guest speaker and former 12th Man, entertained us with the importance of student involvement and getting to know faculty.

Your support of the Agricultural Economics Department is greatly appreciated and we wish you all the best throughout the upcoming year.

A wide-angle photograph of a football stadium filled with spectators. The stadium's seating bowl is densely packed with fans. In the center of the image, a scoreboard or banner displays the text "HOME OF THE 12TH MAN". The football field is visible in the foreground, with players in white and dark jerseys positioned for a play. The sky above the stadium is overcast.
