Please comment on your overall educational experiences at Texas A&M and the Department of Agricultural Economics - please include areas you feel were important and those that might be improved.

This university and the AGECE department has offered me more opportunities than I could have ever thought possible.

I am very satisfied with my educational experiences at Texas A&M. I felt as though my classes prepared me for the future and my professors were very caring and dedicated to our success.

I enjoyed the challenge and learning experience from courses that weighed projects heavily or were solely project based. It allowed me to work with a group of individuals and learn to do so in a way I can put to use in my future career.

I had a great experience and learned a lot. I was challenged and have never felt so rewarded by my own work.

I really enjoyed my experience. The professors encouraged critical thinking and were very passionate about their work.

I learned a lot and was really challenged in the classroom.

I wouldn't trade the experience I gained for anything else in the world.

I believe the department did a great job preparing me for my career and my experience will undoubtedly assist me in the future.

The Department of Agricultural Economics allowed me to take versatile classes that will serve me for the rest of my career.

It was a good experience!

Very good overall. Lots of great and unique professors. Impactful experience.

It was a great experience for me. I am proud to be a AGBU major

I feel my experience at Texas A&M is one I will hold dear for the rest of my life. Professors were awesome and curriculum was challenging yet not impossible.

I strongly feel that each professor truly cares about each student and that is why we are so successful.

Hard to make it through but well worth it learned a lot.

Great value. Great people. Thank you for a fantastic 4 years. An even bigger thank you to the academic advisors and office

Loved the classes, and is best department at TAMU by far!

I have had no bad experiences within this department and/or university! Thanks for giving me the best time of my life!

I have grown professionally and personally as a result of my undergraduate time here.
