This year’s event was a great success with over 300 people in attendance. The theme for the evening was based on the College of Agriculture and Life Science’s Centennial Anniversary. We had presentations about the AGEC undergraduate clubs and on opportunities for students outside the classroom. The Ag Econ Society, NAMA, and FIRE organizations all gave presentations focusing on future activities for their respective clubs. Several students also spoke about Study Abroad, Industry Internships, and Congressional Internships that they have participated in recently. Also, a big thank you goes out to Fifth C Jewelry for donating diamonds to be placed in the Aggie Rings of three lucky members of our department.

The REPS would like to thank the generous sponsors whose donations allowed us to have such a wonderful event. Book scholarships and many door prizes were given to students attending. Thanks also to those faculty and staff that were able to attend. We hope to see everyone again next year! Your support of the Agricultural Economics Department is greatly appreciated and we wish you all the best throughout the upcoming year.

The Lowell Raun family of El Campo provides this scholarship in honor of “Big Lowell” who passed away in 2001. Mr. Raun was a class of 1950 graduate in Business Administration, a big Aggie fan, and a rice farmer in the El Campo area. Mrs. Betty Raun and her children Lowell Jr. ‘76, Tim ‘84, Laura, Mary and their families are long-time supporters of Texas A&M University and the College of Agriculture and Life Sciences.
