AGEC 324 agribusiness entrepreneurship—budgeting—Cont..

The objective of this course is to introduce a protocol for identifying individual revenue and cost elements of a comprehensive economic assessment of a single-enterprise rural or metropolitan business venture.

Students following the FRE Option or RUE Option are required to satisfactorily complete AGEC 424 as part of their degree plan. AGEC 424 is a FALL ONLY course. AGEC 324 is not required on your degree; however, students satisfactorily completing this course in Fall 2016 or Spring 2017 will have a jump start on AGEC 424 by having had an opportunity to review and learn key elements necessary for AGEC 424.

For questions or additional information, please contact Dr. Ed Rister at e-rister@tamu.edu and put “AGEC 324 Question” in the subject block. In the body of your message, state your question, and
