• **Preregistration**

Preregistration for Summer and Fall 2015 has begun. Please go into HOWDY to make sure you know when your preregistration time starts and also check to see if you have any registration holds. If you have a registration hold, you will not be able to register for classes. You will need to work to have your registration hold removed.

Also attached is important preregistration information. If you are receiving a registration error, please review the attached information as the answer to your problem is most likely answered in the attached information. Information regarding force request for AGEC classes is also included in the attached information.

• **Texas A&M International Student Mentor Association**

The International Student Mentor Association has opened their mentor applications for next fall. Who are we? We are an organization dedicated to helping incoming international students transition to Texas A&M. We start recruiting members at this time of the semester because we need to prepare you before the international students arrive in August. If you love to learn about new cultures, meet lots of different interesting people and help out the Texas A&M community, this is the right organization for you! We also put on socials and cultural parties throughout the semester, often based around American or Aggie traditions, such as American football and Thanksgiving. These are a great way to get to know people from all over the world!
If you would like to know more about what we do, you can come to our informational **Monday, April 13th** from **7pm-8pm in Rudder 401**. The application can be found on our website: [http://isma.tamu.edu/newmentor](http://isma.tamu.edu/newmentor). If you have any questions, don't hesitate to email us and we'll get back to you right away! Applications will **close at midnight on April 20th**. Interview times will be posted shortly, which will be held on April 25 and 26.

- **Money Wise Aggie Program**

A recent US News & World Report article indicates “[College Students Becoming Less Financially Responsible](http://isma.tamu.edu/newmentor)”. That’s not good news, but the Money Wise Aggie program can help! Another round of workshops are starting up with topics from Money Management to Credit Cards to Identity Theft. A full schedule is attached. Share this information with your students so they don’t become one of these statistics. #AgsToRiches  See attached for the workshop dates
