**Maggies and Wiley Lecture Series  Presents – Elizabeth Smart**

Maggies and the MSC Wiley Lecture Series have the honor of hosting a program featuring premiere speaker and author Elizabeth Smart. The program, titled Elizabeth Smart: From Abduction to Empowerment, will take place next Thursday, April 9 in Rudder Theatre at 6:30 pm. Tickets are free and are available for pick-up in the MSC Box Office. There is a 2 ticket limit per UIN and the program is open to the community. There will be a 60-minute keynote and 30-minute Q&A session,

If you're not familiar with Elizabeth Smart's story, she was abducted from her home in 2002 at the young age of 14. She was held captive for 9 grueling months and forced to act as a wife to her kidnapper. Elizabeth endured physical and emotional abuse by both her captor and his wife. Fortunately, the police safely returned Elizabeth to her family in March of 2003. Since her rescue, Elizabeth has published the best-selling book "My Story" and has become an activist for issues related to child abduction and abuse.

Please join us for this incredible program and the opportunity to learn how Elizabeth has overcome her traumatic experience and used it to help other victims of violent crimes.
