To Add a New Email Account, click SET UP EMAIL

The screenshot shows the BlackBerry Internet Service (BIS) website in a Windows Internet Explorer browser. The page is titled "BlackBerry Internet Service" and features the AT&T and BlackBerry logos. The main content area is titled "Email Accounts" and contains the following text: "Manage the accounts you are using with your BlackBerry device." Below this text is a table of email accounts:

Email Accounts	Edit	Filters	Delete
✓ aspryor@att.blackberry.net	⌵	⌵	🗑
✓ aspryor@gmail.com	⌵	⌵	🗑
✓ spryor@paragon-adv.com	⌵	⌵	🗑
✓ spryor@ag.tamu.edu	⌵	⌵	🗑
✓ spryor@tdccpa.com	⌵	⌵	🗑

Below the table is a "Set Up Email" button, which is highlighted by a black arrow pointing from the text "To Add a New Email Account, click SET UP EMAIL".

At the bottom of the page, there is a copyright notice: "Copyright 2006-2010 Research In Motion Limited. All rights reserved. [End User Agreement](#), [Legal Information](#)."

Enter your new userid@agecon email address and your domain password, click NEXT

The screenshot shows a Windows Internet Explorer browser window displaying the BlackBerry Internet Service (BIS) setup page. The address bar shows the URL: <https://bis.na.blackberry.com/html?c=20&a=1&handlerAction=100>. The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. The toolbar contains various icons for search, share, and other functions. The page header features the AT&T logo on the left and the BlackBerry logo on the right. A navigation menu on the left side lists Services (Email Account) and Settings (Change Device, Language, Password, Help). The main content area is titled "Set Up Email" and contains the following text: "Add an existing email account (e.g. Yahoo!®, Google®, Microsoft® Exchange)". Below this, there are two input fields: "Email address:" with the value "spryor@agecon.tamu.edu" and a help icon, and "Email password:" with a masked password "●●●●●●●●" and a help icon. A "Show Password" checkbox is located below the password field. At the bottom of the form are "Cancel" and "Next" buttons. The footer of the page contains the copyright notice: "Copyright 2006-2010 Research In Motion Limited. All rights reserved. [End User Agreement](#), [Legal Information](#)." The browser's status bar at the bottom indicates "Internet | Protected Mode: Off" and a zoom level of "105%".

It may take a second or two as it tries to resolve your credentials, SAVE

Email will be delivered within 15-20 minutes.

The screenshot shows a Windows Internet Explorer browser window displaying the BlackBerry Internet Service (BIS) settings page for the user `spryor@agecon.tamu.edu`. The browser's address bar shows the URL `https://bis.na.blackberry.com/html`. The page features the AT&T and BlackBerry logos at the top. On the left, there is a navigation menu with options like 'Services', 'Email Account', and 'Settings'. The main content area is titled 'Advanced Settings' and contains the following configuration details:

- General Settings | **Advanced Settings**
- Email server:
- Email server type: IMAP
- Port:
- Timeout: 120 seconds
- SSL:

At the bottom of the settings panel, there are 'Cancel' and 'Save' buttons. The footer of the page includes the copyright notice: 'Copyright 2006-2010 Research In Motion Limited. All rights reserved. [End User Agreement](#). [Legal Information](#).'
