

NATIONAL APPRAISAL PARTNERS LLP

Real Estate Analyst/Associate Appraiser – HOUSTON, TEXAS

Position Description

The Real Estate Analyst is responsible for appraisal and consulting assignments pertaining to commercial real estate. Property types include land, retail, office, apartments, industrial, hotels, recreational and special use facilities.

A Bachelor's degree in Agricultural Economics with the Finance and Real Estate Option is preferred although not required. The Real Estate Analyst should have strong writing skills, analytical skills, good computer skills and organizational skills. The analyst must be able to research and analyze data and present the conclusions in writing in an organized, succinct manner.

Company Background

National Appraisal Partners LLP is a full service real estate valuation and consulting company, which was founded in 2002. The company founders were former big four accounting firm service line leaders for several years.

The growing Houston based firm provides real estate valuation and consulting services to a broad range of clients, including lending institutions, pension funds, accounting firms, attorneys, investment advisors, developers, brokers, government entities, as well as private and public companies operating in a variety of industries. Headquartered in Houston, the firm has recently added office locations in San Antonio, Austin and Dallas.

Career Development

National Appraisal Partners LLP offers an outstanding career opportunity for the motivated individual. Benefits include health insurance, health savings account, 401K plan and educational class reimbursement. Personnel performance is reviewed regularly and a mentoring program has been established to assist in accomplishing career and personal goals. Real estate analysts are strongly encouraged to achieve state certification as well as the professional designation as a Member of the Appraisal Institute (MAI).
