

## **Eatology Kitchen Studios**

[www.Eatology.co](http://www.Eatology.co)

4337 Wellborn Rd

Bryan, Tx 77801

657.777.2536

Eatology Paleo-Zone has backed the clean, whole food movement from the beginning by taking meals that are not typically considered healthy and "reconstructing" them into a Paleo-Zone version. These dishes replicate the meals that people miss most when cleaning up their diets.

- Nationwide Shipping
- Fresh-to-Frozen Meal Prep

### **Position Title:** Shipping Operator

As our Shipping Operator, you will be responsible for ensuring the safe and timely arrival of customer orders- both locally and nationally. You will be responsible for reporting accurate inventory numbers to management by tracking daily meal production and sales.

### **A DAY IN THE LIFE:**

- Track daily meal production
- Plan future production schedule
- Monitor inventory
- Restock and track inventory
- Prepare orders for distribution
- Problem solve operational issues
- Monitor and enter weekly inventory counts
- Process and fulfill orders
- Service customers and client accounts
- Track sales
- Lift up to 50lbs

### **JOB DETAILS:**

- Part-time
- Monday-Friday
- Flexible hours
- Pay: TBD

HOW TO APPLY: Send resume and availability to [Laurah@Eatology.co](mailto:Laurah@Eatology.co)
