

Growing Your Future

**POSITION ANNOUNCEMENT – MACON, GEORGIA**

**POSITION: Technical Services Forester / GIS**

**Requirements:**

- Bachelor's Degree or higher in Forestry and 5 years practical experience.
- Practical experience with ArcGIS or similar mapping and data management systems.
- Practical experience in inventory design, workup, and reporting.
- Good understanding of biometrics, mensuration, volume equations, quantitative analysis, and statistics.
- Working knowledge of other standard computer software packages, e.g., Word, Excel, and Access (especially databases).
- Working knowledge of forest finance and economics.
- Must possess good verbal and written communication skills.
- Must possess good interpersonal skills and be able to work well with others in team production situations.
- Ability and willingness to take on new projects with little supervision.
- Ability and willingness to travel occasionally.

**Job Responsibilities:**

- Participate with our Technical Services team, which provides various technical services to FRC managers and clients.
- Develop an understanding of the FRC business model, especially the importance of producing high quality products in a cost-effective manner.
- Develop a thorough understanding of ArcGIS and associated tools, including an understanding of relational databases such as SQL Server and their use at FRC.
- Maintain and update property level spatial and attribute data within ArcGIS or similar systems.
- Develop an understanding of FRC's internal inventory processor and assist with inventory design, processing, and reporting.
- Provide support for FRC's handheld field data collection systems and inventory data transfer.
- Generate various project related maps, reports, and documents for clients.
- Provide managers with insight on innovations in the geo-spatial arena.
- Assist managers in the competitive bid process through support of mapping and data management time-and-expense estimates.
- Assist with other special projects as requested.
- Promote a positive image of FRC with clients, associates, contractors, and the general public.
