Having problems registering for an AGEC class?

- **To register for any 300 or 400 level AGEC class, you must currently be classified as a junior or senior.** If you have completed less than 60 hours, you are classified as a sophomore. The classes that you are currently in process with are not included in determining your current classification. If you WILL have junior hours at the end of the Fall 2020 semester and would like to register for a 300 or 400 level AGEC class you will need to submit a force request.

- **If you are in process with or do not have the required prerequisites for an AGEC class, you will not be able to preregister for the class.** If you will have the necessary prerequisites completed by the time the class starts, you need to submit a force request for the class. For information about the prerequisites for AGEC classes, please see [http://catalog.tamu.edu/undergraduate/course-descriptions/agec/](http://catalog.tamu.edu/undergraduate/course-descriptions/agec/)

- **Most AGEC classes will have major and non-major sections.** If you receive a major restriction error when you try to register for an AGEC class, you have chosen the incorrect section for that class. In the Class Schedule Search in HOWDY, click on the course title and you can look at various course information including restrictions. If the appropriate major section does not have any remaining seats open, you need to submit a force request for the class. DO NOT email the professor, submit a force request.

- **If there are no seats open in the AGEC class you want and you have the prerequisites to take the class, you will need to submit a force request.** Please note, we do not force students into AGEC 235 or 335.

- If you are completing a prerequisite at another college please see the following website on how to submit your transcript to TAMU - [https://registrar.tamu.edu/Transcripts-Grades/Transcripts](https://registrar.tamu.edu/Transcripts-Grades/Transcripts)

Submitting an AGEC Force Request

If you need to submit a force request, you can access the force request system at – [https://docs.google.com/forms/d/e/1FAIpQLSe7jwbDWiWFrr8x94tDt7pZnqsHAtuQKdVz7Dp1mr7wa78sMg/viewform?fbzx=3709169687265362000](https://docs.google.com/forms/d/e/1FAIpQLSe7jwbDWiWFrr8x94tDt7pZnqsHAtuQKdVz7Dp1mr7wa78sMg/viewform?fbzx=3709169687265362000)

- You must complete a separate request for each AGEC class.

- Remember to include your UIN, TAMU email address, and phone number in the force request. If you are in process with a prerequisite or have completed a prerequisite at another college, be sure to include that information in the comment section of the force request. If you would like us to drop a class if we are able to add the desired class to your schedule, please include that information in the comment section of the force request.

- Submitting a force request does not guarantee that you will be placed in the class, but it is your best option for getting into the desired class.
After submitting your request, please wait patiently. You will be contacted by email regarding your request. Force request will be processed after Fall 2020 grades are posted on December 14, 2020!!
