Position Announcement: Postdoctoral Research Associate in the Area of Regional and Community Economic Development

The Agricultural Economics and Rural Sociology Department and the Rural Studies Program at the University of Idaho invite applications for a Postdoctoral Research Associate position. This is a full-time, twelve-month appointment for one year, with good chances of renewal subject to funding. The postdoc will be responsible for conducting economic and statistical analyses on rural poverty, minority entrepreneurship, and other rural development topics, as determined by the Program's emerging needs and priorities. Interested candidates should submit a statement of interest addressing related experience and the required and desired qualifications, curriculum vitae, Ph.D. transcripts, 2 journal articles or research papers, and names and contact information of three references. Application materials should be submitted to Dr. Paul Lewin at plewin@uidaho.edu with the subject "Postdoc Application" or by mail to Dr. Paul Lewin, Agricultural Economics and Rural Sociology, University of Idaho, 875 Perimeter Dr. MS 2334, Moscow, ID 83844-2334.

Tenured: Professor and Department Head. The Department of Agricultural Economics, College of Agriculture and Life Sciences at Texas A&M University invites applications for a full-time tenured position with a service period of 9-month academic appointment beginning June 1, 2020. Candidates for the Tenured Professor and Department Head position must have an earned doctorate in Agricultural Economics or a closely related field, with a record of distinction in research, teaching and service that would qualify them for tenure at a tier 1 research institution. Applicants must submit the following documents: 1) a cover letter; 2) a detailed curriculum vita; 3) a personal research statement; 4) a statement of administrative philosophy; 5) a statement of vision for the Department, specifically addressing undergraduate and graduate education, faculty mentoring, the fostering of academic research programs across multiple disciplines, extension outreach, the advancement of diversity, and a strategy for development (fundraising); and 6) contact information for five referees. The application materials must be submitted online at: apply.interfolio.com/70232. Review of the applicant pool will begin November 6, 2019 and will continue until the position is filled. For questions, email inquiries to Advisory Search Committee Chair, Dr. Elsa A. Murano at eamurano@tamu.edu.
