## Notes

- Major restrictions and prerequisites for courses may change. Although a course is listed, this does not guarantee that students are able to register. *Students should check to see if there are any prerequisites for the courses listed before registering.*
- Directed AGEC Elective
  - o Any AGEC course that is not already listed as a required course on a student's degree plan
- Technical Ag Electives
  - o Select a class from the following departments in the College of Ag
    - Agricultural Leadership Education & Communications
    - Animal Science
    - Biochemistry & Biophysics
    - Biological & Agricultural Engineering
    - Ecosystem Science & Management
    - Entomology
    - Food Science & Technology
    - Horticultural Sciences
    - Nutrition
    - Plant Pathology & Microbiology
    - Poultry Science
    - Recreation, Park & Tourism Sciences
    - Soil & Crop Science
    - Wildlife & Fisheries Sciences
- Directed Non-AGEC Electives  
Select from list to the left or visit with your advisor to discuss using minor coursework, internship credit, or study abroad classes for this requirement.
- AGEC 105 (required major coursework) also meets University Core Curriculum Social and Behavioral Science requirement.

**\*Prerequisite courses**

**\*\*Other Restrictions. Please check with an advisor**
